DECLARATION

Identification of Politically Exposed Persons (PEP) & Compliance with the Foreign Account Tax Compliance Act (FATCA). Politically Exposed Persons (PEP) refer to individuals who are involved in politics, hold a position in any political party, are members of the cabinet or parliament, serve in other local government authorities, or hold an executive position in a government institution. The FATCA legislation, which is imposed and governed by the United States government, focuses on tax compliance by preventing U.S. persons from using non-U.S. financial organizations and entities to evade U.S. taxation on their income and assets.

MERCHANT AGREEMENT

Between

WEBXPAY (PRIVATE) LIMITED

(Registration No. PV 110334)

(The service provider)

And

ALLIANZ INSURANCE LANKA LIMITED

(Registration No. PB 5179)

(The Merchant)

FOR

THE PROVISION OF DIGITAL PAYMENT SOLUTION FACILITIES

Green Lanka Towers, 5th Floor, 46/46, Navam Mawatha, Colombo 2, Sri Lanka
Website: www.webxpay.com | Email: sales@webxpay.com | Hotline: 0117441900

THIS AGREEMENT is made and entered into on the dates mentioned hereinafter.

BY AND BETWEEN:

WEBXPAY Private Limited bearing Registration No. PV 110334 having its Registered Office at Green Lanka Tower, 5th Floor, 46/46, Navam Mawatha, Colombo 2, in the Democratic Socialist Republic of Sri Lanka, hereinafter called "**The service provider**" which term shall include its successors and assigns

AND

ALLIANZ Insurance Lanka Limited carrying on business at Levels 26-27, One Galle Face Tower, No. 1A, Centre Road, Galle Face, Colombo 02 in the said Republic of Sri Lanka (Non-government organization) under the registered name ALLIANZ Insurance Lanka Limited with registration number PB 5179, hereinafter referred to as the "Merchant", which term shall include its executors, administrators, and/or permitted assigns.

WHEREAS the service provider is desirous of providing all kinds of DIGITAL PAYMENT SOLUTIONS to the Virtual mobile application, point of sale (POS), Lanka QR (code integration), CASA Transaction, Google Pay, BNPL and the Internet Payment Gateway (IPG) facility to the Merchant, subject to the terms and conditions described below.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. DEFINITIONS

- 1.1. "Agreement" means this Merchant Agreement executed between the service provider and the Merchant, and such terms and conditions as varied from time to time.
- 1.2. "The service provider" means WEBXPAY PRIVATE LIMITED.
- 1.3. "Card" means any physical or virtual Debit/Credit/value stored Card issued by any Issuing Institute to the Customer based on the Agreements entered into between the Issuing Institute and various Payment Associations.
- 1.4. "Cardholder" means any person to whom a Card or any Virtual Mobile App is issued under his name by any Issuing Institute.
- 1.5. "Card Issuer" means any entity (including, without limitation, Visa, Master, its subsidiary and associate companies and its licensee) authorized by CBSL to issue a Card.
- 1.6. "Credit slip" means a refund given to a customer due to reasons agreed between the service provider & Merchant.
- 1.7. "Customer" means any person who owns a Card, or any Virtual Mobile App provided to the Merchant by any Issuing Institute.
- 1.8. "Merchant Discount Amount" refers to the fees charged to the Merchant for each transaction, calculated based on the Discount Rate set by the service provider.
- 1.9. Merchant Discount Rate (MDR) refers to the percentage of the transaction value that the Merchant must pay to the service provider.
- 1.10. "Equipment" means Point of Sale (POS) terminals, including SIM cards, printers, mobile phones, mobile communication equipment and all related accessories.

- 1.11. "EC Software" means electronic commerce software and related accessories provided by the service provider to the Merchant in connection with this Agreement to enable the Merchant to effect online Card transactions.
- 1.12. "EC Transaction" means a transaction between the Merchant and a Cardholder over the internet or other networks using a Card and Cardholder Access Device.
- 1.13. "Internet Electronic Delivery" means delivery, to the Cardholder, via the internet download or another file transfer process, of goods or services purchased on the internet.
- 1.14. "Internet Physical Delivery" means delivery, to the Cardholder, via mail, shipping services, or courier to a physical address, of goods or services purchased on the internet.
- 1.15. "IPG FACILITY Administration Module" means the administration module provided by the service provider to the Merchant to enable the Merchant to process EC Transactions.
- 1.16. "Online Transaction" means EC Transaction through the EC Software.
- 1.17. "Other Security Conditions" Includes any authentication protocol adopted by Visa & Mastercard Services or other card associations to authenticate the Cardholder in an EC Transaction.
- 1.18. "SSL" means the Internet Protocol, currently known as Secure Socket Layer, that uses connection-oriented end-to-end encryption to provide data confidentiality service and data integrity service
- 1.19. "Website" means a website established by the Merchant on the internet on which goods and/or services will be made available for purchase by Cardholders.
- 1.20. "Floor limit" means the amount determined by the service provider to Merchants, up to which transactions can be processed without authorization from the service provider.
- 1.21. "Issuing Institute" means any Bank or Financial institution that issues any physical or virtual Debit/Credit/value stored Card.
- 1.22. "Merchant" means a person or organization that will possess any payment acceptance mechanism provided by the service provider, who is legally authorized to sell goods and/or services.
- 1.23. "Payment Associations" means those that authorize its members to issue Cards and acquire Transactions under specific brands, including but not limited to Visa, Mastercard, Amex, Union Pay, Lanka Pay, etc.
- 1.24. "Sales slips" means electronic advice, manual and QR-based transactions.
- 1.25. "Transaction" means a transaction carried out by using a Card, with/without a PIN or via other payment channels facilitating transactions, including mobile apps, E-wallet and Internet Payment Gateways, Near Field Communication, with or without the knowledge of the Customer.
- 1.26. "Virtual Mobile App" means any payment software application, including but not limited to QR pay, provided by a financial institution, downloaded by the Customer to a mobile device.
- 1.27. "EDCT" means Electronic Data Capture Terminal – the machine provided by a bank (or third party) to a merchant for electronically processing credit/debit card transactions.

2. PROCESS

The Merchant shall submit to the service provider a duly completed application form, which will form part and parcel of this Agreement, Annexure One (1).

3. HONOR ALL CARDS/VIRTUAL MOBILE APPS/IPG FACILITY

3.1. The Merchant shall honor every Card/Virtual Mobile App/IPG facility-based transaction when properly presented as payment from a Customer. The Merchant shall not engage in acceptance practices or procedures that discriminate against or discourage the use of a specific Card/Virtual Mobile App/IPG FACILITY in favor of any other competing brand that is also accepted.

4. INVALID / UNACCEPTABLE TRANSACTIONS

4.1. The Merchant shall not complete a transaction if the Card/Virtual Mobile/IPG FACILITY/QR has expired/invalid, or if the transaction is declined by the issuer in the authorization process.

5. CASH PAYMENT AND CURRENCY

5.1. The Merchant shall not receive any payment from a Cardholder with respect to charges for goods or services not included on a Sales Slip.

6. PROVISION OF EQUIPMENT AND SOFTWARE

6.1. The service provider may request the Merchant to install at the Merchant's premises the IPG FACILITY/ EC SOFTWARE /EDCT / MPOS (s)/ the service provider QR Pay Stickers and Decals and such related accessories and software (collectively, the "Equipment") as the service provider thinks fit which is applicable to the Merchant.

7. USE OF EC SOFTWARE AND EQUIPMENT

7.1. The Merchant shall ensure that only EC Software complying with this Clause shall be used in or in conjunction with an Online Transaction.

7.2. In the event that the Merchant requests that EC Software be provided to it at its premises, the Merchant shall at its own costs arrange for the installation of the EC Software at the said premises in such a manner as the service provider may specify and in such an event, the Merchant shall:

- (a) Keep the EC Software safe in the Merchant's custody and all EC Software shall be at the Merchant's risk while on the Merchant's premises.
- (b) not allow EC Software (or any part thereof) to be used, without the service provider's prior written consent, in any place other than the Merchant's premises in Sri Lanka at which it was initially installed or in any way other than as contemplated in this Agreement.
- © not allow the EC Software (or any part thereof) to be copied, reproduced, amended, modified, reverse assembled, reverse compiled or disclosed to any unauthorized person in any manner without the service provider's prior written consent.

- (d) Upon the request of the service provider, erase and remove the EC Software from its computer system and return any physical form of the EC Software to the service provider unconditionally.
- (e) permit and assist any person authorized by The service provider, upon reasonable prior notice being given, to enter the Merchant's premises at any reasonable time to inspect, update or remove the EC Software (or any part thereof) and Report any damage to, or loss or theft of, the EC Software (or any part thereof) to The service provider immediately.

7.3. If the Merchant makes use of any EC Software, the Merchant agrees that:

- (a) The service provider may supply to the Merchant such operating instructions, training materials and support services.
- (b) It shall acquire no title or any rights whatsoever in relation to EC Software except the right to use it for effecting EC Transactions.
- © It should restrict access to the EC Software to its trained officers or employees.
- (d) It shall take such steps as may be necessary to obtain and maintain appropriate authorization and approvals to enable it to use the EC Software.
- (e) If the EC Software is installed at a location outside Sri Lanka, the Merchant shall comply with all data protection principles and laws in Sri Lanka.
- (f) It will ensure that its computer system is compatible with the service provider's computer system and with the EC Software.
- (g) It will arrange at its own expense for the EC Software to be linked with the service provider's system.
- (h) It shall at all times maintain in good working order the EC Software.
- (i) It shall use commercially reasonable efforts to obtain and maintain a valid SSL/TLS certificate for the Website (and any payment pages used for EC Transactions) and to comply with any other security measures/conditions expressly approved by the service provider in writing, provided that such measures/conditions are reasonably available to the Merchant. The Merchant shall be deemed to be in compliance with this sub-clause if any non-compliance is remedied within ten (10) Working Days of receiving written notice from the Service Provider.
- (j) It will obtain, operate, upgrade or develop its own SSL or compliant software at its own cost.

7.4. In all cases where the service provider has delivered and installed EDCT/ POS /QR Pay Stickers and Decals at the Merchant's premises, the Merchant shall:

- (a) Operate the Equipment only in accordance with the instructions of the service provider.
- (b) Not alter or otherwise tamper with the program in the Equipment.
- © Report promptly to the service provider any fault or suspected fault in the operation of the Equipment.
- (d) Not permit any removal of interference with or addition to the Equipment without the service provider's consent.
- (e) Keep strictly confidential all information received from the service provider.

- (f) Not permit a third party to use the Equipment for any purpose without the prior written consent of the service provider.

8. TRANSACTION HANDLING

- 8.1. The Merchant in handling transaction(s) via EDCT(s) and other electronic devices shall:
 - (a) Ensure that the extraction of data from Cards is in the manner specified by the service provider.
 - (b) Ensure that the equipment, software, technical standards and procedures are approved by the service provider
 - © E-receipts will be provided to the customers via email and/or text messages.
 - (d) Ensure there is no discrepancy between the embossed and displayed card number.
 - (e) Collect the daily transaction detail report and keep the Merchant copy for at least one year.
 - (f) Comply with any rules, regulations, directives, guidelines, instructions and procedures issued by the service provider for encryption or authentication.
- 8.2. Website Requirements (for IPG Facility) A merchant's Website must contain all the following information:
 - (a) Complete corporate information, trading name, postal address, email address, telephone number(s) and country of domicile.
 - (b) Complete description of goods/services offered.
 - © Clear Return/refund/cancellation policies.
 - (d) All customer service contact information.
 - (e) Transaction currency, including the country name of the currency unit if not unique.
 - (f) Country to which the services are delivered and any related regulations.
 - (g) Policy regarding delivery of services and any restrictions.
 - (h) A clearly stated data privacy policy.
- 8.3. The service provider and the Merchant shall at all times act honestly, fairly, and professionally, and in the best interest of a customer.

9. PRESENTMENT AND REFUNDS

- 9.1. Manual/Electronic Transactions
 - a) If the service provider agrees to the presentation of information electronically, the Merchant shall submit it in the form and manner required by the service provider.
- 9.2. Refunds:

All online refunds are to be executed via the merchant portal for the face value; no cash refunds are allowed.
- 9.3. By presentation of any Transaction Information, the Merchant warrants and agrees with the service provider that:

- a. All statements of fact, figures and calculations are true and complete.
- b. The Merchant has supplied the goods and/or service to the value stated.
- c. No other sales slips have been issued for the same goods/services.
- d. The provision of credit is lawful.
- e. The service provider may refuse to accept transaction information or reverse a transaction if any of the conditions in clauses 8.3 of the original agreement occur (e.g., altered card, excess price, goods not provided, illegible slip, cardholder dispute, breach of agreement, etc.).

9.4. Recoveries:

- a. The merchant shall establish a fair return policy acceptable to the service provider.
- b. No refunds shall be made in any other form except to the original Card or Virtual Payment App account used.
- c. The service provider may, at its discretion, issue refunds to the Cardholder following an investigation and recover such amounts from the Merchant
- d. The Merchant shall not make any refund (cash or otherwise) to the Cardholder in any other form than specified.

10. CHARGEBACKS AND SET-OFF

Where the Merchant fails to comply with a demand by the service provider to pay a sum due because of Chargeback rights, the service provider may have the right to set off and/or deduct the Chargeback amount from the Merchant's account with prior notice.

11. USE OF MERCHANT'S NAME

- a) The Merchant irrevocably authorizes the service provider to include the Merchant's name in any directory.

12. DISPLAY OF PAYMENT ASSOCIATION SYMBOLS

The Merchant shall display current symbols and names of the relevant payment association(s) as well as promotional material. The right to use these symbols continues only so long as this Agreement remains in effect.

13. MERCHANT DISCOUNT AMOUNT AND FEES

- 13.1. The Merchant shall pay the service provider Merchant Discount Rates (MDRs) at the rates advised by the service provider.
- 13.2. The Merchant shall also pay the service provider any fees and charges determined by the service provider, including but not limited to rentals, monthly maintenance fees, transaction-based fees, and settlement-based charges (collectively "Fees"). However, fees must be fully disclosed prior to the execution of the agreement, and any subsequent changes to such fees shall be communicated to the Merchant in writing.
- 13.3. The MDRs and fees may change at the service provider's discretion and will be communicated to the Merchant in advance.

- 13.4. The service provider will deduct MDRs any Fees owed by the merchant from the settlement amount before transferring it to the merchant.
- 13.5. The merchant shall not require the customer to pay a surcharge, MDRs or discount in connection with a Card transaction.
- 13.6. MDRs fees, and charges imposed by THE SERVICE PROVIDER will apply solely to this Agreement.
- 13.7. The Merchant must maintain strict confidentiality regarding any MDRs, fees, or other charges under this Agreement.

14. FLOOR LIMIT

The Floor Limit(s) shall be mutually agreed upon by both parties from time to time.

15. FEES AND SETTLEMENT

The Merchant shall pay the fees and charges specified in the Fee Structure, which forms part of this Agreement, Annexure Two (2).

16. MINIMUM SALES VOLUME

The Merchant shall ensure that the Minimum Sales Volume Target indicated in **Annexure Two (2)** is collected monthly. If the Merchant fails to achieve the Minimum Target, the Merchant shall pay to the service provider the charges indicated in the Agreement. Such charges shall be waived for the first six (6) months from the Effective Date of this Agreement.

17. MINIMUM TRANSACTION AMOUNT

- 17.1. The Merchant shall not require a minimum transaction amount below which it will refuse to honor otherwise valid Cards.
- 17.2. The Merchant shall pay the service provider a minimum target charge as described in Annexure Two (2).

18. BREACH OF AGREEMENT

In the event of a breach by the Merchant, the merchant authorizes the service provider to debit the Merchant's Account or deduct from any deposit for any refund claimed. If funds are insufficient, the Merchant authorizes the service provider to initiate a Direct Debit with prior notice. The service provider may also charge interest at its discretion.

19. EVIDENCE AND DOCUMENTS

- 19.1. The Merchant will produce evidence of the Cardholder's authority for a transaction upon request and retain all documents relating to each transaction for a period of not less than one (1) year.
- 19.2. The Merchant shall provide reasonable assistance for the prevention and detection of fraud.

20. EQUIPMENT AND IMPRINTERS

- 20.1. The Merchant will retain and maintain all Equipment supplied by the service provider in good condition.
- 20.2. The Merchant is solely responsible for the safekeeping and control of the Equipment.

- 20.3. All persons using the Equipment shall be deemed agents of the Merchant, and the Merchant shall indemnify the service provider against claims arising from its proven negligence, willful misconduct and misuse of the Equipment.
- 20.4. Any Equipment supplied shall remain the property of the service provider and shall be surrendered on demand.
- 20.5. The Merchant will provide assistance for the prevention and detection of fraud related to the Equipment.
- 20.6. The service provider may charge the Merchant the costs of the Equipment or repairs if damaged due to improper handling.
- 20.7. All Equipment shall be returned upon termination of this Agreement.

21. RESTRICTIONS ON EQUIPMENT

The Merchant will not:

- a) sell, assign, transfer, lease or otherwise deal with the Equipment.
- b) remove, conceal or alter any markings indicating the service provider's ownership.
- c) jeopardize the service provider's right to access or repossess the Equipment.
- d) permit any third party to perform maintenance on the Equipment without prior written consent.

22. REMOVAL AND CESSATION OF BUSINESS

The Merchant shall inform the service provider of any removal of shops or offices and its cessation of business in writing, thirty (30) working days prior to its effective date.

23. DISCLOSURE

The Merchant authorizes the service provider to disclose any information relating to the Merchant's Account or affairs to any party, including financial institutions and related companies, and to obtain such information.

24. DISCLAIMER

- 24.1. The service provider shall not be liable for the inaccuracy of any point-of-sale authorization except for its gross negligence and willful default, and the Merchant shall indemnify the service provider for any claims.
- 24.2. All implied warranties relating to the System are excluded. The service provider shall not be liable for any loss or damage, however caused, in respect of the Equipment or System.

25. INDEMNITY

- 25.1. Each Party will indemnify the other on demand in respect of any actions, claims, costs, damages, etc., arising from:
 - a) any failure by the Merchant to comply with this Agreement.
 - b) any Transaction between the Merchant and a Cardholder.
 - c) any regulatory requirements of the Merchant or the exercise of rights under this agreement.

- d) Sales of any prohibited products.
- 25.2. Each party shall have full conduct of all proceedings relating to their claim.

26. CONFIDENTIALITY

- a) The Merchant will not use or disclose information on the Cardholder or his/her Transactions to any third party without prior consent, unless compelled by law.
- b) The Merchant will not use or disclose information on the service provider, the system, or this agreement to any third party without prior consent, unless compelled by law.

27. ACCOUNT NUMBER INFORMATION

- a) The Merchant shall not sell, purchase, provide or exchange Cardholder information to any third party except for business purposes, to its acquiring member, to Card, or pursuant to a Government request.

28. TERM, RENEWAL, AND TERMINATION

- 28.1. Term: This Agreement is effective from the date of execution until termination.
- 28.2. Renewal and Revision: This Agreement shall not be revised unless agreed to in writing by both Parties.
- 28.3. Termination:
- a) This Agreement may be terminated by the service provider immediately upon:
 - (i) A material breach by the Merchant.
 - (ii) Intentional fraud, gross negligence or willful misconduct by the Merchant.
 - (iii) The Merchant commencing liquidation or becoming unable to pay its debts.
 - b) The service provider may cancel user access without prior notice if the Equipment is used for illegal activities.
 - c) The service provider reserves the right to terminate by giving the Merchant thirty (30) days' notice for reasonable cause.
 - d) The Merchant may terminate this Agreement by giving the service provider thirty (30) days' notice in writing.
- 28.4. Effects of Termination:
- (a) Termination shall not affect due completion of transactions processed before termination.
 - (b) The Merchant shall present all completed Transactions at termination. Payment will be made after successful collection from the Card issuer within 180 days.
 - © Any refund claimed by the service provider that exceeds the amount due to the Merchant shall be a debt recoverable by the service provider.
 - (d) The Merchant shall return all Equipment and related material at its expense.
 - (e) The Merchant shall provide access to its premises and systems.
 - (f) The Merchant shall settle all outstanding payments.
 - (g) The service provider shall settle the Merchant's valid and lawful Transactions.
 - (h) Clauses relating to Confidentiality, Indemnity, etc., shall survive termination.
 - (i) Any paper presented after termination shall not be paid.

- (j) If terminated for reasons other than breach, the service provider shall settle all pending dues.
- (k) If terminated due to breach or illegal activity, the service provider may withhold payment pending investigation.
- (l) The Merchant will remove all related promotional material.
- (m) The service provider reserves the right to blacklist the Merchant and share information with regulators if terminated for illegal means.

29. ASSIGNMENT

This Agreement is not assignable by the Merchant. The service provider is entitled to assign this Agreement or any of its rights to any subsidiary or associated company under mutual understanding of the parties.

30. REPRESENTATIONS & WARRANTIES

- 30.1. Each party represents and warrants that it is duly authorized to enter into this Agreement. Authorization Warranties: the merchant warrants that:
 - (1) It is a legally incorporated body or is legally authorized to sell goods/services.
 - (2) It is properly registered to do business.
 - (3) It has all the required licenses and regulatory approvals.
 - (4) It has the corporate power and authority to execute this Agreement.
- 30.2. Electronic Authorizations:
 - a) The Merchant shall obtain authorization through the EDC Terminal or IPG for every transaction. In case of breakdown, the Contact Centre must be contacted.
 - b) For QR applications, authorization must be received through the application. If inoperable, the transaction is incomplete.
- 30.3. Validity: Each Party represents that this Agreement constitutes valid and binding obligations.
- 30.4. No Conflicts: Each Party represents that this Agreement does not conflict with its constitutional documents or any Applicable Law.
- 30.5. Litigation: Each Party represents that there is no pending litigation that would affect its ability to perform under this Agreement.

31. WAIVER

The failure by the service provider to enforce any term shall not be a waiver of the right to enforce it later.

32. GENERAL

- 32.1. If signed by a proprietorship/individual/partnership, "the Merchant" includes the persons carrying on the business, and liabilities shall be joint and several.
- 32.2. This Agreement shall be governed by the laws of Sri Lanka. The exclusive jurisdiction shall be the District of Colombo.
- 32.3. If any provision is illegal or unenforceable, it shall be deemed deleted without affecting the remaining provisions.

- 32.4. This Agreement is deemed made when signed by both parties.
- 32.5. Words importing the masculine gender include the feminine and neuter, and singular includes plural.

33. VARIATION OF AGREEMENT

The service provider reserves the right to vary these terms and conditions. Any variation will become effective upon a written amendment signed by both parties.

34. ILLEGAL PRODUCTS

- 34.1. The Merchant acknowledges that the service provider will not process Transactions for illegal Products. The Merchant will provide information about its Products as requested and ensure no Illegal Transactions are submitted. The Merchant will indemnify the service provider for any damages from Illegal Transactions.
- 34.2. The Merchant shall use the service provider Services only for products in connection with its principal business.

35. COMPLIANCE WITH LAW

- 35.1. General: Each Party will comply with any Applicable Law.
- 35.2. Information Verification: The Merchant will share records and information with the service provider upon request for examination by authorities.
- 35.3. AML Requirements: The Parties shall comply with all AML laws and cooperate with each other's AML policies and procedures.
- 35.4. Limitation and Reporting: The service provider may impose limitations on the Merchant's use of the Services and may report suspicious transactions to authorities without notice.
- 35.5. High-Risk Merchants: The service provider may classify Merchants as high-risk. If classified as high-risk:
 - a) The Merchant may be required to provide collateral.
 - b) All transactions must be made with 3D Secure and CVV2 verification.
 - c) The use of local payment cards is prohibited for offshore gambling.
 - d) Business licenses must be renewed promptly, and evidence must be submitted.
 - e) Fees may be collected in advance.
 - f) Pricing is subject to periodic review.

36. FRAUD AND RISK

- 36.1. If an unauthorized or fraudulent Transaction is claimed, the Merchant will:
 - a) Provide Transaction Evidence within five (05) Working Days.
 - b) If evidence is not provided or it was due to the Merchant's negligence, immediately reimburse the service provider.
 - c) Indemnify the service provider for amounts reimbursed to the Customer.
 - d) Provide access to its premises for on-site reviews if requested.

37. RELATIONSHIP

Nothing in this Agreement creates a joint venture, partnership, agency, or employment relationship.

38. FORCE MAJEURE

No Party shall be liable for any default or delay resulting from acts beyond its reasonable control (a "Force Majeure Event").

39. ENTIRE AGREEMENT

This Agreement is the entire agreement between the Parties and supersedes any previous agreements.

40. ASSIGNMENT

This Agreement and the rights and obligations hereunder may not be assigned by the Merchant.

42. HEADINGS

Headings are for reference only and do not affect the scope of sections.

43. LANGUAGE

This Agreement is prepared in English. The English version shall govern over any translation.

44. NOTICES

Any notice shall be in writing and deemed duly given if delivered personally or by prepaid registered post.

45. MANUAL KEY-IN FACILITIES

- 45.1. If authorized for "manual key-in" (MKI), the Merchant shall:
- a) be entitled to proceed only if the reservation is used by the Cardholder.
 - b) Swipe/insert/tap the same physical Card that was used for the reservation.

46. VIRTUAL PAYMENT APP TRANSACTIONS

- 46.1. The Merchant in handling Transaction(s) via Virtual Payment App shall:
- a) Check each payment detail prior to the disbursement of goods.
 - b) not split the total invoice amount.
 - c) Pay THE SERVICE PROVIDER the applicable tariffs.
 - d) Advise the Customer to enter the correct amount.

47. MERCHANT'S EMPLOYEES / AGENTS

The Merchant shall be responsible for the actions of its employees and agents and shall exercise adequate safeguards to prevent fraud.

48. PRESCRIPTION

The Merchant hereby waives any right to plead prescription or any statute of limitations as a defense for as long as any amounts remain outstanding and due to the Service Provider.

49. DATA PRIVACY

In the event that any party to this agreement discloses Confidential Information that contains Personal Data and the Receiving Party processes such Personal Data on behalf of the

Disclosing Party for the implementation of business purposes mentioned herein, then the Receiving Party shall:

- i. act only on instructions from the Disclosing Party regarding access to, or the processing, erasure, disclosure, transfer or other use of such data;
- ii. comply with any request made or direction given by the Disclosing Party in connection with its obligations under any current and/or any future applicable statute, law, regulation or regulatory obligations relating to the protection of Personal Data;
- iii. take appropriate technical and organizational security measures against unauthorized or unlawful processing of such Personal Data and against accidental loss or destruction of or damage to such Personal Data;
- iv. comply with all applicable laws and regulations relating to holding, retrieval, processing and use of such Personal Data.

For the purpose of this clause;

Personal Data - means any information relating to an individual.

Processing - means any operation or set of operations performed on Personal Data or on sets of Personal Data, whether or not by automated means, such as collection, recording, organization, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

50. ANTI-CORRUPTION

- i. The Parties shall not commit, authorize or permit any action in connection with the negotiation, conclusion or the performance of this Agreement which would cause the Parties and/or the Parties' affiliates to be in violation of any applicable anti-corruption or anti-bribery laws or regulations. This obligation applies in particular to illegitimate payments including facilitation payments to government officials, representatives of public authorities or their associates, families or close friends.
- ii. Each Party agrees that it will not either offer, or give, or agree to give, to any employee, representative or third party acting on behalf of the other Party or accept, or agree to accept from any employee, representative or third party acting on behalf of the other

Party, any undue gift or benefit, be it monetary or other, with regard to the negotiation, conclusion or the performance of this Agreement.

- iii. Each Party shall promptly notify the other Party, if it becomes aware of or has specific suspicion of any corruption with regard to the negotiation, conclusion or the performance of this Agreement.
- iv. In case any undue gifts or benefits with regard to the negotiation, conclusion or the performance of this Agreement are made by the Service Provider in violation of the Anti-Corruption Clause as stated in this Agreement above, or if Company has reasonable cause to believe that such payments or gifts have been or are being made, Company may terminate this Agreement with immediate effect.

51. SANCTIONS CLAUSE

Either Party represent and warrant that it will comply with all relevant laws and regulations, including local law as applicable where the services are being carried out, any benefits are being provided and/or any payments are being made, and warrants that the provision of these services, benefits and/or any payments will not expose the Allianz, and/or its holding company, to any sanctions, prohibition or restriction under United Nations resolutions or the trade or economic sanction, law or regulations of the European Union, United States of America and/or any other applicable national economic sanction law or regulations.

52. INFORMATION SECURITY REQUIREMENTS

The Service Provider agrees to adopt the Merchant's information security clauses morefully described in Annexure 3 (either entirely or partially) following a formal review period within 90 days of this Agreement's effective date.

53. IT, INFORMATION SECURITY & DATA PROTECTION REQUIREMENTS

The Service Provider agrees to adopt the Merchant's IT, Information Security & Data Protection Requirements morefully described in Annexure 4 (either entirely or partially) following a formal review period within 90 days of this Agreement's effective date.

IN WITNESS WHEREOF, the parties have executed this Agreement.
